

International Financial Services Indicators

Pinnacle provides the world’s only public online registry for International Business Companies and Trusts conducting international financial services in St. Lucia, under our legislation. Most companies will be required to register as an International Business Company (IBC) pursuant to the International Business Companies Act. This requires that your company must have a Registered Agent and Registered Office. The use of a Registered Agent is essential to the process and cannot be overlooked.

A comprehensive listing of Registered Agents can be procured from Pinnacle and further clarification and specifics of this can be sought from one of the registered agents of your choosing.

There are 198 registered companies operating within the financial services sector employing an estimated 1791 employees.

The Sector is characterized by a very dynamic financial environment providing local and international financial products.
