

Description/Disclaimer

Invest Saint Lucia is soliciting, from the private sector, expressions of interest in relation to business proposals, project concepts or products available for investment.

The objective of this campaign is to furnish potential investors with accurate and timely information on investment opportunities available from private citizens; private sector businesses; non-governmental organisations, etc. This is in an effort to augment ISL's contribution to the product offerings on island.

If you have any project concepts/business proposals that are targeted at investors, we invite you to fill in the form below. Completed forms along with additional requirements, should be emailed to info@investstlucia.com. Please note that only those offers that meet the full requirements listed below will be considered. To give you some idea of how this will be displayed, you may go to <http://investstlucia.com/opportunities> to view similar project proposals that currently appear on our website.

In the event your project/proposal meets all of the requirements, you must agree to have your proposal listed with ISL for a minimum of 12 months.

The aforementioned signed agreements can be withdrawn by either party at any time. The proposer agrees to provide updates as required. Invest Saint Lucia does not guarantee any enquiries or sale on your behalf as a result of this listing on our site.
